CORPORATE / SOCIETY EVENTS

EVENTS THAT SET NEW STANDARDS

Here at Leeds Golf Centre we pride ourselves on hosting corporate and society events that people will talk about fondly for years to come.

It's not just our superb under-one-roof facilities that make this happen, it's our outstanding organisational skills and commitment to working hand in glove with you to deliver your perfect day.

That's why everyone from major blue chips and leading lifestyle brands to local businesses and societies make us their go-to destination.

GREAT GOLF IS JUST THE START

There's more to us than a really great round of golf. With the emphasis firmly on fun, our footgolf course is sure to bring smiles all round. Blending golf with football, groups kick balls around specially designed holes. It's easy to play and an unforgettable team bonding experience.

Plus there's a floodlit covered driving range - great for impromptu prizes for the longest (or shortest!) drive of the day - outdoor putting and chipping greens for mini games, and our ever popular indoor golf simulator.

Add an extensive pro shop, two amazing swing studios packed with computer technology and top professionals on hand for coaching tips, it's easy to see why groups of all kinds make a beeline for the home of modern golf.

THERE'S NO END OF POSSIBILITIES

A day with us is like no other. That's because whatever you have in mind, we'll bend over backwards to make it happen. We've the flexibility to let you loose with total freedom too, so you can have a fantastic time with your group in peace.

As well as even the wackiest bespoke ideas we can set-up special competitions, dish out goody bags and organise fun elements your group will love.

Add a bit of spice with a hole-in-one prize of a brand new Jaguar XF...amaze your group with a session of trick shots and banter from the maestro Dave Edwards...let us create a hilarious movie of your day...or book our private room The Oaks for a banquet for up to 120 guests...as we say, there really is no end to the possibilities.

OUR GOLF COURSES, THE HEART OF OUR OFFERING

Most events revolve around a golfing experience on one of our two beautiful courses - our Wike Ridge Championship course or The Oaks short-hole course. Both are sure to make a big impression on even the most seasoned event goer.

To this you can add a spot of pre-round professional PGA coaching, post-event swing analysis, PowerPlay Golf or prize tables. Just let us know your budget and your group's interests and we'll suggest any number of imaginative options to make your day truly memorable.

YOUR PERFECT PLAYING PARTNER

We never forget that choosing a venue and masterminding a corporate or social occasion is a huge responsibility. That's why we go out of our way to offer you the kind of support and help you need to take the stress away.

Making you and your guests feel at home is our number one priority. After all, who can relax when they feel on edge? So we take care of the small things to ensure everything runs like clockwork.

EXQUISITE FOOD AND DRINK

The quality of catering can make or break a special event. So it's good to know our Nineteen Bar & Grill serves up city centre quality brasserie dining.

Boasting hand-crafted drinks, prime cuts of meat, locally sourced ingredients and sumptuous home-made desserts, this light-filled 100 seat restaurant and coffee lounge forms the focal point for any prize giving ceremony or private party.

Nineteen Bar & Grill can also host destination events such as seminars, shows, expos or business meetings. As part of your package our chefs will create a menu that meets your budget but always exceeds your expectations. From breakfasts and light lunches to afternoon teas and evening banquets, your guests will savour our food as much as the surroundings.

WHAT OUR CLIENTS SAY ABOUT US

“For the last two years we have sponsored the biggest Yorkshire PGA paying event at Leeds Golf Centre. It’s renowned amongst golfers, we even give the nearest the pin an F Type Jaguar for the weekend.”

Jaguar Farnell

“We’re one of Leeds Golf Centre’s corporate sponsors, we have membership for our directors and also hold our annual company golf event here every year, which is always a fantastic success. Last year our hole in one prize was to win an XF Jaguar with free insurance provided by us. Prizes like this always hugely add to the excitement and make a great talking point on the day!”

Romeros

“Our squad often head to Leeds Golf Centre off season to practise on the driving range and work on their handicaps. The Rhinos have been playing there since 2011 and a few also have lessons at the David Leadbetter Academy from some of the top pros in the UK”

Leeds Rhinos

THE YORKSHIRE
COUNTY CRICKET CLUB

“The facilities at Leeds Golf Centre are fantastic and the perfect place for the lads to unwind after a busy cricket season. The whole squad have membership there and can often be found practising their swing on the driving range.”

Yorkshie Cricket

“We had the pleasure of holding one of our large company events at Leeds Golf Centre last year. Choosing to include Dave Edwards in the running order for the day was a fantastic choice! One of the greatest trick shot artists in the world, he provides non stop entertainment – filming everyone playing during the day and providing a hilarious voice over for everyone to enjoy.”
